MEMORANDUM FOR: Acting Chief of Operations

FROM: Inspector General

SUBJECT: Trip to Far East and Near East Stations

1. I am planning to visit the major stations in the Far East and Near East during October and the first part of November. I should appreciate it if you would advise the stations that I am coming, approximately when I am coming, and instruct them to cooperate to the fullest possible extent in briefing me on their activities and problems. At stations where there are more than a few people whom I am bound to see anyway, the head of the station should advise all personnel that my visit will give them an opportunity to bring to the attention of the top echelon here any particular station or personal problems or complaints.
2. Each station will advise the next as to exactly when I will arrive so that appropriate arrangements and accommodations can be made. Mrs. Heiden will accompany me on the trip and be with me at the major cities en route but will not be with me on side trips from major bases, such as visits in - other than etc. The tentative schedule is as follows:

3. As changes are made in this tentative itinerary, I will advise you.
